

Topics in the 7th conference listed above are indicative. Authors are, therefore, allowed to submit papers on other topics when to relate to the main concept of the conference. Accepted communications will be presented in poster form. The proceedings shall be prepared. After discussion at the conference, revised papers can be submitted as the originals for a special issue of International Journal of The Society of Materials Engineering for Resources.

Co-sponsorship is highly appreciated from both public and private sectors. Please contact with the Chairperson of Executive Committee, Prof. Atsushi Shibayama if any.

Mode of Presentation

The conference will be organized into

- Plenary (invited) lectures
- Keynote (invited) lectures
- Poster sessions with short speech

The official language will be English
