

6th Asia Africa Mineral Resources Conference @ Akita Univ., Japan *September 13-15, 2016*

Akita University will host the **6th Asia Africa Mineral Resources Conference** together with Kyushu University financially supported by Japan Society for the Promotion of Science (JSPS). This meeting will present and discuss the latest discoveries that challenge the development of mineral resources. We will organize post-conference one day field excursion (15th September) to vein type and/or Kuroko deposit in Hokuroku area, Akita Prefecture.

Registration Form: If you wish to participate in the conference, please fill the form below and send back to 6aaconferenceakita@gmail.com. Please reply with full information **before June 10, 2016**.
